

HAZARD SIGNS

Meaning there is a risk of danger, warning or caution.

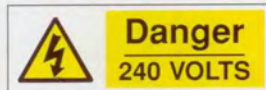

NEW Make sure you comply to the Electrical Safety, Quality and Continuity Regulations 2002.

Hazard signs help to instruct, advise, forewarn staff and visitors of potential dangers arising around the workplace.

All hazard signs comply to The Safety Signs & Signals Regulations 1996.

All signs available in 1mm rigid plastic, self adhesive vinyl or rigid plastic with self adhesive backing.

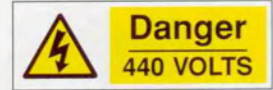

For your own custom made safety signs see pages 38 to 41.

The Dangerous Substances and Explosive Atmospheres Regulations (DSEAR) 2002 came into force on the 30th June 2003. (example sign above)

The DSEAR applies to all dangerous substances in all businesses with risks from fire or explosions from these substances being used in potentially explosive atmospheres.

As dangerous substances can be found in most workplaces, it is essential that all employers and the self employed comply with this regulation.
